InvoiceCloud™ Higher Adopting Payment Solutions

Software Integration

Stand-alone vs Integrated

Less information and interaction, fewer payment options

More manual work for the payer and the biller

Data moves easily to and from all parties involved

The "secret Sauce" of Electronic Bill Presentment and Payment

6

InvoiceCloud™ Higher Adopting Payment Solutions

Customer Experience

Goal - “Fortune 100 Company” Experience

- Comfortable
- Payment options
- Easy
- Information
- Mobile optimized
- Reminders

11

InvoiceCloud™ Higher Adopting Payment Solutions

Customer Experience

Information

- All info must be relevant to the bill payer
- Accurate image of bill to view/download
- 1 to 2 years of historic bills to view
- 1 to 2 years of payment history
- Access to all one's accounts
- Current balance due
- Announcements

12

InvoiceCloud™ Higher Adopting Payment Solutions

Customer Experience

Mobile Optimized

- Over 50% will pay bills using a mobile device
- Must be easy to navigate on small screen
- Mobile app or responsive design
- No pinching or zooming to see
- Pay anytime, anywhere
- Pay by Text option

13

InvoiceCloud™ Higher Adopting Payment Solutions

Customer Experience

Reminders

- Send email reminder with link to view/pay bill to every customer with email & balance due
- 2nd & 3rd reminders only if balance still due unless on AutoPay or scheduled payment
- Removes barrier to going paperless
- Prevents many late payments
- Use email from one-time payment
- Text reminders

InvoiceCloud™ Higher Adopting Payment Solutions

Barriers to Paperless Billing

The Big Barrier Isn't Security. It's Reminders and Habit.

Barrier	Percentage
Might Forget Because I Use Paper to Remind Me	43%
Comfortable With Current System	42%
Record Keeping	37%
Security Concerns	21%
Some Bills Easier to Read	20%

Source: Seventh Annual Billing Household Survey, Fiserv, Inc., 2014

InvoiceCloud™ Higher Adopting Payment Solutions

Top 5 Late Payment Excuses

1. I forgot
2. I don't have the money right now
3. I have no idea where my bill is
4. I just got too busy
5. I procrastinated

Fox Business: Published June 21, 2013

Solution to 4 out of 5:

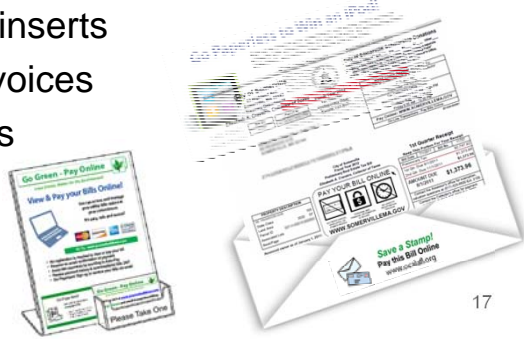

Reminders!

InvoiceCloud™ Higher Adopting Payment Solutions

Getting the Word Out

Marketing e-payments and paperless billing

- Pay button prominent on homepage 
- Poster and cards at payment window
- Newsletters, bill inserts
- Messages on invoices
- Envelope teasers
- Email blasts
- Sweepstakes

17

InvoiceCloud™ Higher Adopting Payment Solutions

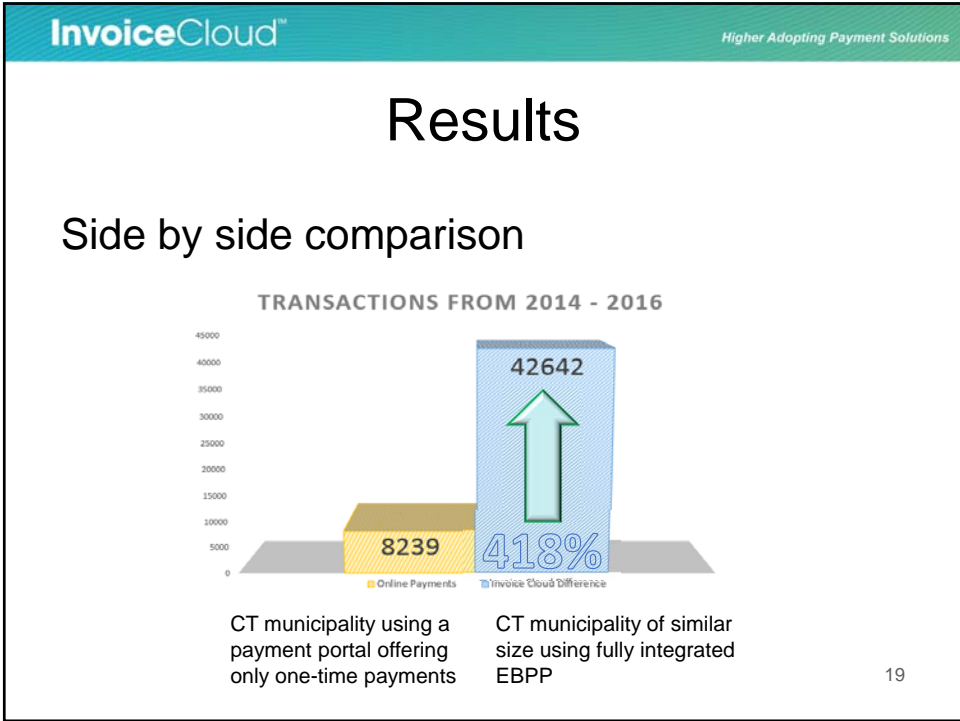

Pricing Models

Convenience Fee vs. Absorb Processing Costs

Payer charged directly	No cost to payer
Lower cost to Authority	Authority gets Utility rates
Paid by those using it	Paid indirectly by all
Fixed fee if taking Visa	No transaction limits

There may also be setup costs, monthly or annual fees, other per item charges
