Biography

Constance E. Heppenstall

Constance Heppenstall, Senior Project Manager, Rate Studies is employed by Gannett Fleming Valuation and Rate Consultants, LLC.

She has over 12 years of experience in developing revenue requirements and cost of service studies for water and sewer systems for both municipal clients and private companies. She has presented expert testimony before utility regulatory commissions in Pennsylvania, Arizona, Kentucky, Virginia, West Virginia, Indiana, Hawaii, and Missouri.

Prior to joining Gannett Fleming, Ms. Heppenstall was employed by various underwriting firms in the municipal bond industry. During her 16-year career in municipal finance, she was involved in all facets of municipal bond issuance, including financial modeling and credit analysis for her clients.

Ms. Heppenstall has a Bachelor of Arts Degree in Economics from the University of Virginia and a Master of Science in Industrial Administration from the Carnegie-Mellon University's Tepper School of Business.

Ms. Heppenstall is a registered Municipal Advisor and is a member of the American Water Works Association, the Pennsylvania Municipal Authorities Association and the National Association of Water Companies.
