## Introducing the Associate Member Connection Guide

Benefits: visibility, warm connections, and being remembered.

To help you maximize your connections before, during, and after the Educational Seminar, we're offering associate members who register for the seminar a powerful visibility opportunity.

The Associate Member Connection Guide is an electronic networking resource that will be shared with all seminar participants prior to the event, AND will be distributed to all Region 4 members after the event - reaching those that were unable to attend. We will ask you to email [spurnell@htmapa.com](mailto:spurnell@htmapa.com) to submit the following items prior to the registration deadline:

- Your business card or company logo
- A personalized message introducing your business, or a message of your choice in 100 words or less

This is your chance to: 1) Introduce your business; 2) Highlight how you help others; and 3) spark conversations that continue during - and after - the seminar!
