

William H. Markus Award

The recipient of the 2026 William H. Markus Award is Daniel Becker, PE of HRG.

Dan is a veteran of our industry with 30 years of service on the East Cocalico Township Authority Board of Directors, the last 20 years as Chairman. The authority provides public sanitary sewer and water service to 2500 customers in Lancaster County.

He is a graduate of the Pennsylvania State University with Bachelor of Science in Civil Engineering. A licensed professional engineer in Pennsylvania and New York, he formed his own engineering consulting firm serving many municipal authorities and municipalities' water and wastewater projects.

Dan has served as Region 4 Director and is a Past President of PMAA. He is a member of the Pennsylvania Water Environment Association, a member of the Water Environment Federation, a member of the Eastern Pennsylvania Water Pollution Control Operators Association. He currently serves as member of the Lancaster County Solid Waste Management Authority.

He received the Governor's Award for Local Government Excellence in 2019.

Continuing his service to our Association, our awardee currently serves as a Trustee to the Association's Unemployment Compensation Trust, the Conference Committee, the Legislative Committee, and the Program Advisory Committee.
