Dine at Cork Factory Hotel

Rural heritage and fresh food coalesce at Cork & Cap at Cork Factory Hotel. Our guiding tenet pays homage to the Pennsylvania Dutch who settled in Lancaster County. It is simple, yet uncompromising: make food from scratch with the best local ingredients available using simple recipes and time-honored techniques.

We offer Lancaster County-inspired cuisine in a memorable, casual-hip setting. Dine in plush leather banquettes alongside restored brick and stone walls, lounge in Cork & Cap's rustic bar area, or enjoy seasonal outdoor dining on our patio around Urban Place's signature smokestack.
