

# **Región 9 Director**

**Dennis Duryea, PE**

**Kiski Valley Water Pollution Control Authority**

**Dennis Duryea started his career in the chemical industry with PPG Industries and moved into the Environmental Field after working on many environmentally related projects with PPG. He's worked with a consulting firm, a wastewater treatment equipment/process company and a contract operations company (SSS Environmental) of water and wastewater facilities.**

**He then started his own contract operations/maintenance company, DSquared Environmental Services, where we also performed turnkey projects. During this period, Dennis also worked for a consulting engineering company for a short period.**

**After eight years of running his own company, he sold it and worked for that service company for three years, along with some project management for a marcellus water recycle company.**

**Dennis became Plant/Authority Manager at Kiski Valley Water Pollution Control Authority in 2014.**

**Dennis received his BS in Chemical Engineering from the University of Pittsburgh in 1978 and received his MBA from the University of Pittsburgh in 1986.**
