

# **Jeremy Horvath**

## **Highland Sewer & Water Authority**

**Jeremy Horvath holds the position of Manager at Highland Sewer & Water Authority (HSWA) since January 2018. He held various other positions prior to becoming Manager, since he started at HSWA in 2008. As Manager, he is involved with all aspects of the management, oversees operations, and plans capital improvements for the water and sewer systems within 17 municipalities in Cambria County, Pennsylvania, while managing a team of approximately 30 employees.**

**With over 26 years of experience in the water/wastewater/construction industry, Jeremy has loyally served HSWA and his previous employer, Horvath Excavating, Inc. These experiences provide him with the skills required to adequately lead employees and tackle major projects in the area.**

**Jeremy holds a degree in Business Management and is DEP-certified in water and wastewater system operations. Additionally, he is a current member of various water/wastewater organizations and is on the Legislative Committee at PMAA.**

**Beyond the workplace, Jeremy continues to serve the community by holding the position as Secretary of the Croyle Township Planning Commission. Jeremy enjoys spending time with his wife and two daughters.**
