"When you live for a strong purpose, then hard work is not an option, it is a necessity."

On behalf of the Pennsylvania Municipal Authorities Association and the WIN, (Women, Innovation, Networking) Steering Committee, we would like to take this opportunity to cordially invite you to join us for our WIN Conference, June 13 – 14, 2022, at the beautiful Bedford Springs Resort, in Bedford, Pennsylvania.

We encourage you to attend this informative event, that draws on dynamic and committed women professionals engaged in all facets of the authority industry. The theme for the Conference is *Finding Your Purpose*. Which will address the professional and personal challenges we, as women, face as we strive to be balanced and effective both in our professional and personal lives.

This year, we have extended our agenda to include a Welcome Reception on June 13th. Plenty of networking will be available for WIN colleagues as we kick off our Conference.

Education sessions will include an interactive session, presented by Una Martone, President & CEO, Leadership Harrisburg. This session will help guide us to discovering our purpose. Amy Bradley, President & CEO, Cambria Regional Chamber, will address, "Personalities in the Workplace". Our popular panel, "How My Career Found Me" featuring three highly successful and inspiring women will share insights about their successful journey and career paths. These sessions and more will round out our full and informative program.

We look forward to seeing you in Bedford!

Sincerely,
