

MUNICIPAL PROJECT MANAGER

C.S. Davidson, Inc. is an employee-owned consulting engineering firm with 98 years of experience representing municipal and private clients in south-central PA. With offices in York, Gettysburg, and Lancaster, we are staffed with 85 people invested in the community dedicated to finding solutions that improve today and fuel the future.

As a Project Manager on this team, you will demonstrate your skills in planning, directing, coordinating, and completing municipal projects. You will mentor and motivate your project teams to keep projects flowing smoothly, on-schedule and within budget. In this role, you understand that success hinges on your communication skills and ability to manage and collaborate with people. Efficient work habits and the ability to provide exemplary service to clients are essential qualities you should possess to thrive in this project manager position.

Job Requirements:

- Bachelor of Science in Civil Engineering or related field experience
- Excellent verbal and written communication skills
- Ability to manage multiple priorities while providing exceptional customer service
- Municipal project management experience
- Professional Engineer licensed in PA preferred

At C.S. Davidson, Inc., we are proud of our dedicated team of employee-owners who come together to provide exceptional service and solutions to our clients. Our firm was built and continues to serve with trust and integrity. Our success is shared with our employee-owners through competitive wages and benefits in addition to 401(k), Profit Sharing, and ESOP plans established to provide retirement income and financial security. Visit www.csdavidson.com/about to learn more about our tradition of investing in our communities. Send your cover letter and resume to Deena Trebilcock, Human Resource Manager, at dat@csdavidson.com. C.S. Davidson, Inc. is an equal opportunity employer.
