

The Pennsylvania Municipal Authorities Association (PMAA) is an organization for all municipal authorities under the Municipality Authorities Act and the Parking and Redevelopment Authorities Laws.

We represent...

- Public water
- Wastewater
- Stormwater
- Solid waste and Recycling
- Airports
- Parking
- Redevelopment and community projects

and more.

Who can benefit...

- Authority Boards
- Managers
- Operators
- Engineers
- Solicitors
- Finance Personnel
- Consultants
- Auditors
- Insurance Providers
- Equipment Sales/Service
- Environmental Services

and more.

“Mount Pocono Municipal Authority has greatly benefited from our long-standing involvement with PMAA. The training programs have been invaluable to my growth as a manager. And, having a younger Board, the Board Member training has been integral to the development and success of MPMA. The training equips the participants with the knowledge and tools needed to make informed decisions and lead any organization responsibly.

Through PMAA events, committee engagements, workshops, and conferences, I have built strong professional relationships with peers across the Commonwealth. These connections have facilitated valuable idea sharing, collaborative problem solving, and mutual support during operational, financial, and regulatory issues.

PMAA has been a reliable partner in strengthening MPMA's capabilities, fostering community, and advancing the overall quality of public service in our Commonwealth.

**Jonathan Klotz, Executive Director,
Mount Pocono Municipal Authority**

IT IS TIME.

Authority Membership

CONNECTING MUNICIPAL AUTHORITIES

Joining Pennsylvania municipal authorities to better serve their communities since 1942.

PMAA IS DEDICATED TO:

Legislative Advocacy and Legal Services

PMAA embodies the interests of member authorities before legislative, regulatory, and legal bodies at the state and federal levels.

Through the years, PMAA has supported initiatives that advance authority success, and worked to defeat hundreds of proposals that would have undermined authority value. PMAA's legislative track record is one of thriving success.

Continuing Education

PMAA offers educational opportunities such as an annual conference and trade show, a professional women's conference, trainings, webinars and workshops designed to share trends and best practices, and to exchange information pertinent to authorities. Continuing education credits are available at many events for engineers, operators and solicitors.

Group Savings Programs

PMAA provides members with savings programs such as:

- Insurance including Group Life, Disability, Liability, Medical/Dental/Vision, and Unemployment Compensation
- Pension/Retirement Plan Options
- Electricity Purchasing
- Online Bid Management
- E-Procurement
- Banking and Investment Solutions
- 1 Call Ticket Workflow

Publications and Resources

PMAA publishes a bi-monthly magazine, *The Authority*, and other publications, reports, and newsletters of interest to authorities.

Networking and Engagement

PMAA distributes a membership directory listing authority and associate member contact information for quick access to peers and firms who provide products and services to assist authorities.

OUR COMMITMENT TO MEMBERS

PMAA provides a variety of services and opportunities under the leadership of our Board of Directors, made up of authority and associate members from across the Commonwealth. PMAA's programs are designed to support and educate municipal authorities as they carry out the critical mission of serving our communities.
