

JOB POSTING

Department of Public Works, Traffic Operations Division Utility I

Position Summary

Cranberry Township, Butler County, is seeking applicants for a full-time position within the Traffic Operations Division of the Public Works Department. This position reports to the Traffic Operations Manager.

Work includes but is not limited to preventative maintenance service on all traffic signals, signs and various energized systems, communication infrastructure and radio equipment. Performs related construction work as required to install equipment. Maintains records for service calls and work orders, operates a computer to access files and upload information to the system. Maintains an inventory of parts and supplies in support of traffic signal maintenance and emergency repairs. Recommends adequate inventory levels and orders supplies as necessary.

The position will also perform minor and major electrical projects. This position includes the use of a bucket truck, hand and power tools and light and heavy-duty trucks. Candidate must be able to work professionally in an office setting and in the field, perform tasks independently and as part of group. The position includes assigned snow removal duties during winter months and emergency signal and electrical repairs.

Position Information

Required Qualifications:

Candidate must have a High School Diploma or GED; supplemented by at least one (1) year of experience in electrical systems installation, maintenance, and/or operation; six (6) months of personal or professional experience that demonstrates the applicant is mechanically inclined; and at least six (6) months experience demonstrated an ability to utilize technical hardware (computers, tablets, etc.) and software (Microsoft Office programs).

This position will require the successful applicant have the ability to operate a bucket truck and work at heights above fifteen feet, in roadway work zones, and in various weather conditions. Candidates must have a valid driver's license and must acquire CDL Class A license within one (1) year of hire with Township provided training.

Preferred Qualifications:

More than one (1) year of electrical experience. One (1) year or more of experience in traffic signal maintenance. Six (6) months of experience with electrical or communications wiring. Class A CDL License. Snow removal experience. Experience with operation of a bucket truck.

Starting Hourly Wage: \$30.26; Hourly wage pursuant to Collective Bargaining Agreement.

Internal Job Posting: 1/12/2026 – 1/19/2026
External Job Posting: 1/20/2026 – 2/3/2026; Extended through 3/5/2026

Fringe benefits include, among other things, health, dental and vision benefits, and a generous deferred compensation plan. Specific questions regarding benefits can be sent to Human_Resources@cranberrytownship.com
